Essential information for participants of IndiCS Seminar on "Frontiers in Analysis and Verification of Concurrent Systems"

Location

Infosys Mysore Campus
No. 350, Hebbal Electronics City, Hootagalli, Mysuru, Karnataka 570027

Google map: https://maps.app.goo.gl/fhg8zHaizNMRqrEj9

Reaching the campus

From Bengaluru airport, Intercity Ola or Uber cabs can be availed. Participants arriving at around the same time may share a ride.

Public bus services are available from Bengaluru Airport to Mysuru. For your convenience, please find the relevant link below:

KSRTC: https://share.google/2j1vFGKbfPkYbYsyG

Entry gates and arrival timings

- Participants can come at any time of the day (24 x 7 access).
- **Participants must report to Gate No. 2 of the Infosys Mysore campus.**

Collection of IDs and lanyards

Participants must collect their IDs and lanyards from the reception/security desk at Gate No. 2 upon arrival. They must carry a valid government-issued photo ID for security verification.

Transportation from security desk to allotted accommodation

Golf carts will be available to assist participants with their luggage and transportation from the security desk at Gate No. 2 to their allotted accommodation (ECC).

Participants will first be taken from the security desk to the accommodation reception area, from where they will collect keys for their allotted accommodation units. The golf carts will subsequently take the participants to their allotted accommodation units.

Campus do's and don'ts

The security protocols and campus guidelines for both locations are given in an annexure. All participants are required to follow these guidelines and protocols.

Key requirements include carrying a government-issued photo ID, declaring personal laptops, wearing the issued ID badge on campus, and cooperating with identity and luggage security checks.

Restrictions in Infosys Mysore campus

Dependents of participants are not allowed.
Iron boxes, extension cords, alcohol, and smoking are not permitted on campus.
Photography is also prohibited inside campus buildings.

Local cab services

Participants may use Ola or Uber for travel to and from the campuses at their own expense.

Checkout process

At the time of checkout, participants must hand over their room keys at the reception.

Whiteboards, flip charts, and marker pens

Whiteboards or flip charts, along with marker pens, will be arranged in the discussion area.
